Born: September 30, 1992
Nationality: Dutch

Current positions

PhD Student, Utrecht University, Netherlands

I am a PhD student in economic history. My PhD research focuses on Dutch political elites and their economic interests, investment behavior, and political decision-making. My research is conducted within the framework of the NWO-project Investment behaviour, political change and economic growth in the Netherlands, 1780-1920. I am supervised by prof. dr. O. C. Gelderblom (Utrecht) and prof. dr. A. de Jong (Monash, EUR).
